

Dear Guest,

Tulum is the perfect place where you can combine total relaxation and never-ending adventure.

Here is some information on tours our guests love more. If you don't find what you're looking for, please ask our Concierge Team to give you more options. Enjoy the Riviera Maya and the Yucatan Peninsula!

### **Diving Cenotes of Tulum:**

Scuba diving in cenotes is a unique experience that is like floating in space on another planet. The serenity and beauty of these underworlds and their ancient rock formations provide a unique, almost mystical experience. Each cenote has its own beauty and character. We choose the dive sites according to your experience. Don't miss your opportunity to witness this unique natural phenomenon.

## **Mayan Jungle Expedition:**

Travel into the heart of the jungle where the adventure begins. Enjoy zip lining, canoeing, cliff diving and snorkeling all at your own pace.

Finish the day with a visit to an adjacent Mayan village where you will be greeted by a delicious lunch and an opportunity to appreciate the simplicity of the lives in local villagers.

At the end, we'll visit one of the homes to acquire a handmade keepsake for each of your guests.

If you wish, you can add on one of these experiences:

- **Underground River Snorkeling**
- **Snorkeling with Turtles**
- **Tulum archaeological site**
- **Coba archaeological site**
- **Can-Am ATV's**

## Aquatic Turtle Dream:

Begin your day with the pickup time of your choosing along with the added comfort of modern private transportation. **Snorkel** in a wild sea turtle sanctuary protected by the federal government. Witness them enjoying the existence of peace and freedom that comes from responsible management and environmentally sustainable encounters.

You will snorkel and swim in a breathtaking underground river system. End the day with a well-deserved gourmet beachside lunch on the powdery white beaches of Tulum.

Important - although we see sea turtles on a very consistent basis, we are unable to fully guarantee their presence. As they are wild animals they can freely come and go from our designated snorkeling area. In any case, you will surely have a special experience.

## **Coba Wild Monkey Sactuary:**

Begin your day exploring the mighty **Coba archaeological site** on a bicycle or friendly Mayan bike taxi (Included). Leave a triumphant mark on your day by climbing the mighty Nohoch Mul Pyramid, the tallest in the northern Yucatan (not mandatory).

Connect with nature knowing that your visit economically contributes to the fight faced by local Mayan inhabitants to defend their ancestral lands from deforestation. Finish this gripping

experience with a gourmet beachside lunch.

Explore old- growth jungles inhabited by wild howler and spider monkeys. Zip-line over an amazingly picturesque lagoon and swim in a truly sacred cenote.
